## **Drainage System Repairs on I-90/94 from Addison Street to 91<sup>st</sup> Street**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that overnight lane closures will take place on the Kennedy and Dan Ryan expressways (Interstate 90/94) between Addison Street and 91<sup>st</sup> Street, in Chicago, beginning, weather permitting, Monday, May 15. The closures are necessary for drainage repairs at various bridge locations along I-90/94.

In order to complete the repairs, overnight lane closures will be required in both directions of Interstate 90/94 between Addison Street and 91<sup>st</sup> Street. The closures will take place at various bridge locations along the expressway. Daytime lane closures also will take place below I-90/94 on southbound Western Boulevard, southbound Damen Avenue and westbound 16<sup>th</sup> Street.

The repairs are expected to be completed in Summer 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
